# **INTRODUCTION** WHO WE ARE & WHAT WE DO

For over 114 years, Knowles Centre has been making a difference in young people's lives. We build better childhoods for at-risk youth through a range of therapeutic and skills-based programs that help youth address their past traumas and challenges; develop better skills for healthier relationships and lifestyles to reach their full potential in the future. Throughout this time, the heart of our mission has always been to help all who come through our doors to find a better life.

The Croquet Classic offers a fun, informal afternoon of friendly yet competitive croquet - no experience required! There will be thematic refreshments and ample opportunities to bid on silent auction prizes, enter the grand prize raffle, and participate in some other fundraising fun through the afternoon. The cash bar will feature themed cocktails and other classic refreshments. After the championship match, we gather in the historic Great Hall of Fort

Gibraltar for dinner and prize presentations. The evening includes our guest speaker, the presentation of the coveted Croquet Classic Championship Trophy, team prizes, the announcement of auction and raffle winners and more. Every year we encourage all participants to be part of the year's theme by coming in costumes around the theme. This year our theme is:

# 1920s Garden Party.

Think Gatsby, Downton Abbey and Peaky Blinders. Those 20s roared as it was the end of the war. People felt hope and knew it was time to have fun. We hope to capture this sense of fun and frivolity throughout the day as we come together in the 2020s. And costumes don't just add to the day's fun; you can win with yours. In addition to competing to win the coveted Croquet Classic Championship Trophy, you could win the best thematic team costume or best individual costume.

Did you know the success of this event represents 60% of our annual private fundraising dollars each year? This event raises crucial funds to help support Knowles Centre's therapeutic care for youth in Manitoba. In addition to your positive impact on your community, event sponsorship offers you and your organization the opportunity to:

- Help Knowles Centre provide therapeutic care to Manitoban youth who have experienced adverse childhood experiences such as neglect, extreme poverty, physical, mental, and sexual abuse, addictions and exploitation.
- Host key clients, partners or staff in a fun and relaxed setting.
- Network with other leaders in the business community.
- Showcase your organization.
- Enhance your community investment program.

We are often asked what Knowles Centre can do with the funds we raise. This year our focus is on refreshing our Healing Homes. Funds raised from this event could do the following in our Healing Homes.

# The Refresh a Room Campaign

Our Healing Homes need your help. They require repairs, renovations and a refresh. Can we count on your team to 'Refresh a Room' in our Healing Homes? All of your donors will receive a tax receipt for their contributions.

We will award two new prizes at the event to launch this new initiative - one for the individual with the highest amount raised and one for the team with the most donors, regardless of their amount. We will forward the information and registration links to your team captain with the team confirmation.
