CHARITY

CROQUET

CLASSIC

INTRODUCTION

WHO WE ARE & WHAT WE DO

For over 116 years, Knowles Centre has been making a difference in young people's lives. We build better childhoods for at-risk youth through a range of therapeutic and skills-based programs that help youth address their past traumas and challenges; develop better skills for healthier relationships and lifestyles to reach their full potential in the future.

Throughout this time, the heart of our mission has always been to help all who come through our doors to find a better life.

THE CHARITY CROQUET CLASSIC

The Croquet Classic offers a fun, informal afternoon of friendly yet competitive croquet - no experience required! There will be light afternoon refreshments and ample opportunities to bid on silent auction prizes, enter the prize raffle, and participate in some other fundraising fun through the afternoon. The cash bar will feature themed cocktails and other classic refreshments.

After the championship match, we head into Centro Caboto Centre for dinner and prize presentations. The evening includes our guest speaker, the presentation of the coveted Croquet Classic Championship Trophy, team prizes, the announcement of auction and raffle winners and more.

Every year we have a fun theme and this year is no exception. This year we are excited to share our theme:

BACK TO THE 80'S

It's back to big hair, neon colours and that Miami Vice vibe. Remember when we 'dressed for success' (shoulder pads included) by day and by night "Girls Just Wanna Have Fun!" with the pleas to "Call Me" and "Take on Me"

DRESS CODE: 1980's and what that means to you

And costumes don't just add to the day's fun; you can win with yours.

There will be prizes for the best individual costume and best thematic costume as judged by our event volunteers.
